

□ **Pilot Service:** The pilot service is obligatory for the ships that exceed the 500 tons of gross tonnage, this service is carried out by "the corporation of the pilot of port". This corp is made up of six members and it's situated in Maritime Station (Tel. 0831-562859). The pilot embarks on the ships out of the bay of "Punta Riso" - Lighthouse of Pedagne island. This corp is equipped with three motorboats and it gives a continuous service, day and night. The pilot makes listening on channel 12 VHF every day for 24 hours.
